

Take Flight

SUMMER 2023

Progressing Proudly - Celebrating Members

It has been an eventful past six months and we couldn't be more proud of the strides we are making in our community. While nationally, bank closures and bank instability have been in the news, I want to assure members that our credit union has the highest bank health rating and

a robust balance sheet. In addition, all member accounts are federally insured through the National Credit Union Administration (NCUA) program, like what FDIC insurance provides banking customers. Like the FDIC's Deposit Insurance Fund, the National Credit Union Share Insurance Fund is a federal insurance fund backed by the full faith and credit of the United States government.

Cardinal has been hard at work the past six months with our financial education initiatives and in fact sponsored the 2023 Mad City Money Scholarship competition. We awarded local senior students from Lake Catholic High School, Notre Dame-Cathedral Latin High School, Mentor

High School, Eastlake High School, and Willoughby High School the opportunity to earn scholarships through our simulated "Game of Life" initiative, awarding 45 scholarship winning students. Congrats to the winners and to all the recent graduates in our community. Having a firm financial foundation will definitely provide our youth with a great start in life!

As I reflect on what's to come for the second half of the year, I am excited to share our new technology initiatives including Interactive Teller Machines that allow members to speak to a Cardinal teller using live video. Our friendly remote tellers can assist with virtually any transaction you can do in person including cashing checks, making loan payments, withdrawing cash, and depositing money without a deposit slip! At Cardinal, we strive to bring you the latest technology throughout all your interactions with the credit union. Our goal is to make your banking experience as easy and simple as possible and provide you with the best rates and best financial products available, right here in your own community!

Sincere regards,
Christine Blake, CEO
