

Take Flight

FALL 2022

A season for reflection and gratitude

If there's one thing we know for certain, it's that change is inevitable! The past few years have definitely demonstrated this to us. For starters, 2022 was to be a year of promise as we moved past the pandemic and begin to rebuild our lives in the new normal. But now, we are facing rising inflation and rising interest rates. I want each and every member to know that we are here for you and your financial future. We, at Cardinal Credit Union, stand behind our community and our members and can help you with both your financial opportunities and your financial challenges.

We take pride in helping members navigate their specific financial situations, whether it's going through a life change, a job loss or promotion, retirement, children leaving for college, or just a fresh perspective on building your financial future in today's fast moving economy.

We are 100 percent committed to our members. In fact, our programs to serve you continue to grow and expand to meet your needs. Today we are able to offer the community integrated online banking capabilities, coupled with a state of the art mobile app. We offer remote check deposit, Apple and Google Pay for tap and go payment options, fraud text alert notifications, plus Family First Adoption Loan alternates, commercial lending as well as flexible business services. Our vehicle loan rates and mortgage initiatives are best in class and our Cardinal VISA cards enable secure transactions and advanced security for contactless purchasing.

We always strive to do better and to be better. So let us know what you think, stop by and stop in, or reach us online.

With Warm Regards,
Christine Blake, CEO
