

## Cardinal Receives TOP WORKPLACE Recognition

Cardinal Credit Union has been named a Top Workplace by Plain Dealer. This is the third time we have received such accolades. The list was announced on June 24, 2021 in a special section of The Cleveland Plain Dealer.

I am thrilled, as the award is based solely on the feedback the staff submitted through an employee survey administered just a few months ago.

Many of our tenured employees have been with the Credit Union for 10, 15, or even 20 years. Three of our seasoned professionals, Denise from Operations, David in IT, and Renee in Lending, have dedicated their entire careers to our organization: each has worked at the Credit Union for more than 30 years. That is incredible in any industry, but especially in banking. I am proud to have such knowledgeable, committed employees leading those vital departments.

To thank our staff, and to celebrate such monumental milestones, we are bringing in food trucks during lunch. If you are visiting a branch and you see a food truck in the parking lot, we would love for you to join in the festivities: share a taco lunch or ice cream treat with us. You deserve it, too!

Over the years we have endeavored to brighten your financial futures by listening to your story, and extending the best banking options for you.

Being named a Top Workplace is such a great honor. Only 175 companies made this year's list. I'm proud, especially because the judges were our employees.

With sincere thanks to our Team, Board, and Members for making Cardinal a Top Workplace. Looking forward to a summer of good health and prosperity.

Sincere regards,  
**Christine Blake, CEO**
