SPRING 2022

Membership Matters

An active, well-connected membership is the foundation of our Credit Union, and the cornerstone of a strong community. When you bank with Cardinal, you become an owner and a life-time member.

You share your stories. You inspire us; challenge us to consider alternative banking practices, and develop stream-lined procedures that will make your life easier. We listen, identify opportunities to refine operations, then implement modernized processes to curtail redundancy and reduce waste.

Since 1953 Cardinal has been advising families on important decisions such as purchasing a home, buying a vehicle, improving credit, and building wealth. We understand every dollar counts. Taking on an education loan or opening an equity line can seem scary without a trusted expert on your side. Conventional banks make lending decisions based on numbers and ratings alone. We listen to your story, so we can help fund your future.

Membership matters. That's why we advocate to bring you the tools to meet your unique needs with personal care and attention, that you won't find at a big bank. We invest in products that make it possible for you to satisfy your financial obligations, champion your endeavors, and grow the endowment you envision for the next generation. Looking forward to continued good health and prosperity.

Sincere regards,
Christine Blake, CEO
