Finding Ways to Serve You Better

For the past 70 years, Cardinal's goals remain focused on improving the financial future of our members, for they are the cornerstone of a strong community. When you join Cardinal, you become an owner and a lifetime member.

Today, we proudly serve more than 24,000 members with 6 retail locations, and 6 student-run high school operations, in addition to our Lakeland Community College branch. On April 27 we will celebrate the official grand opening of our new Mentor Avenue branch. The Credit Union's growth creates the economy of scale necessary to develop new products and services, as well as introduce technology advancements that add value and improve convenience to daily transactions.

Mayfield Heights and Mentor Avenue locations received such advances. Both branches feature video banking instruments. These ITMs (Interactive Teller Machines) reflect the ongoing evolution of our credit union as a proven trailblazer of reliable, secure payments, and the leading provider of operational innovation, for our forward-thinking members.

This is a significant milestone for our credit union. You inspire us to find solutions that will make your life easier. We listen to your story, so we can help brighten your financial future. Thank you for entrusting the credit union to serve the membership these past seventy years. It has been and continues to be our pleasure.

Sincerely,
Christine Blake, CEO
